### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest the combination of the claimed banding method as amended and supported by the reasons provided in the remarks of the amendment filed on 12/28/2004.

In particular, the prior art of record fails to disclose the claimed banding method comprising the steps of detecting an amount of a pull-back portion of the rear end of the band which been pulled back by pull back means, wherein a rotation of a cam shaft is temporarily stopped based on a signal and whereby timing of pressing the rear end of the bad by a middle presser member which is operated by means of heater is delayed in a predetermined time, in the claim environment (Figs. 6 and 9).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
